LIMITED OFFER

T&C apply.

A Vespera Solar Filter offered for any Vespera purchase made **between May 9th, 2023 and May 31st, 2023** on vaonis.com and at our partner resellers: Astronomy Plus, Astroshop, Zumstein, Clifton Cameras, Eclipse Telescopes, Red Carpet Telescopes, Focus Camera, Mile High Astronomy, Bintel.

How it works:

1. Purchase Vespera on vaonis.com or at our partner resellers between 05/09/2023 and 05/31/2023.
2. Complete the form **by June 11th, 2023** to claim your free solar filter with your shipping address and a proof of payment:
<https://vaonis.com/vespera-solar-filter-promo-campaign>
3. The Vespera Solar Filter will be shipped as of July 2023 after the end of your withdrawal period.

The [Vespera Solar Filter](#) (SKU: AC021, value: \$99 or 99€) will be shipped only free of charge for the customers to the following countries: United-States, Canada, European Union countries, Switzerland, United Kingdom, and Australia.

To be eligible for the offer, the customer must complete the Solar Filter Form between 05/09/2023 and 06/11/2023. The customer shall not claim the free product if the form has not been completed within this period.

The 2-year warranty on the Vespera Solar Filter will apply automatically upon delivery of the item. The free item shall not be claimed if the Vespera order has been returned for reimbursement.
